

Arbutus Garden Arts Plant Availability

Updated April, 2018

The following lists plants currently available from our nursery along with container size and price. As we are a small producer, quantities are limited and subject to prior sale. Prices apply to plants picked up at the nursery. For mail order, please inquire by email at jaczav@europa.com and be sure to include your mailing address. We will reply with an invoice including shipping, and will hold plants for two weeks pending receipt of payment by check or money order. We confine shipping to Spring and Fall to minimize plant stress, and will ship on the Monday following receipt of payment unless requested otherwise.

Acers (maples)

Please inquire after Japanese maple varieties not on this list.

They may be available but in quantities too small to include.
